## 1. Chapter 1

\*\*this is my first TF FANFIC so don't hate.\*\*

we go to Iacon the Decepticon capital. but something is very wrong. the whole place is on fire and thousands of decepticons lay dead.

we then go to Megatron's HQ and soundwave is tryng to send a message to the autobots.

"SOUNDWAVE! you have to send the message now or we'll all perish without other cybertronians knowing what happened to us" Said Megatron to Soundwave.

"Okay my lord." soundwave said in panic.

"AHHHH" yells barricade after being shot by something.

"I'll send the message, just cover me." megatron said.

then megatron got to the computer.

"Autobots this is megatron I accidentally activated A ancient enemy using an artifact I found and gave it's leader a new body. and now they have the Apple of cybertron and Matrix of leadership. you have to protect and keep the ALLSPARK and Vector Sigma Key from these villians or they will make the ultimate enemy come back to life." Megatron said and was about to deliver the message until a sword from an unkown figure (Because it is invisible.) goes right into his spark but not enough to kill him.

Megatron looks around the HQ and see his soldiers and saw them cowering below the mysterious and invisible figures. except the ones who showed the figures where Iacon is. Shockwave and Starscream.

"Autobots look in the history of cybertron about cybertronians that can turn invisible and go really fast to see what this pathetic robot is talking about." A very dark mysterious voice said (most likely the leader of the mysterious figures) into the message. then he sent it.

"you monsters will be defeated by sentinel, rodimus, optimus, Ulramagnus, and Omega supreme and the autobots." megatron said at the figure.

"we will see about that when I make the ultimate army from the ship on the planet earth that is called the axioun my best creations will be the remaking of that go-4 unit, the wheel known as auto, and the stewards along with the rest of the ship." The figure said then slashed megatron in the face with his energon sword.

\*\*We will be back after these messages. nah just kidding we will be back in 1 or 2 weeks. bye\*\*
